Fall Fellowship

This year, the Fall Fellowship took place at March Air Field Museum, and Arrowmen had a blast exploring the various planes and other military artifacts found at the base. The lodge also gave service to the museum in exchange for free use of the facility. Arrowmen had the opportunity to participate in Jamboree on the Air, getting to use HAM radios to talk with Scouts from all over the country.

During Fall Fellowship, lodge elections also took place, and the lodge welcomed in its new leadership for 2026:

- Aaron Truax as Lodge Chief**
- Andrew Simpson as Vice Chief of Programs**
- Emily Milam as Vice Chief of Inductions**
- James Lyman as Vice Chief of Administration**
- Nicholas Lozano as Vice Chief of Chapter Operations**

The lodge wishes all of its new leadership the best of luck into the new year!

Adventure Weekend

The lodge participated as usual during Adventure Weekend at Glen Helen Park. In the morning, the lodge held its pancake breakfast, serving the campers a hot meal and raising funds for the lodge.

During the day, the Tahquitz chapter hosted OA Island, showing various artifacts and showing those who are not in the Order of the Arrow what our program is about. At night, the lodge had a BBQ dinner, serving delicious hamburgers and hot dogs to the campers.

All-in-all, the lodge had a great time providing services to the council during Adventure Weekend, and effectively promoted the OA to scouters all over the council.

Lodge Leadership Development

The new Lodge Leadership for 2026 had a great weekend at Camp Wrightwood, getting their plan set to make the 2026 year the best it can be. Scouts learned about budgeting, planning, and how to be effective leaders while staying in the comfy huddle hut.

The weekend was also filled with fun fellowship events. Scouts enjoyed playing games outside, exploring the camp, and eating delicious food.
